b. World Base Planning - (continued item)

(1) Attended meeting with DD/P-Admin., NEA Division, and the PM Staff to discuss various aspects of the establishment of a supply depot [] It was agreed that:

a. The development of the T/O would completely segregate the [] organization from the [] except on an interim basis.

b. That the strength figure to be used would be [] and not [] Provisions will be made to provide additional back-up of [] in the Zone of Interior.

(2) Attended meeting at Psychological Warfare Division, Director of Plans, Headquarters, USAF concerning the recent instructions from the Joint Chiefs of Staff, Air Force in regard to negotiations by the CIA and the Air Force in support of the [] The Air Force interpretation of this directive dated 18 June 1953 is that additional policy guidance is required from the Joint Chiefs of Staff. Present Air Force position is that support of the world base concept is not covered in the 6 October 1949 directive from the Secretary of Defense to Joint Chiefs of Staff. Additional meetings are scheduled to clarify this matter since the interpretation of this office is that facilities to be established under the world base concept are within the scope of existing policy directives.

3. Other Items of Interest

a. Operational Stock Account No. 6807 - (continued item)

Contacted [] regarding funds for this account. [] indicated that \$400,000. would be made available immediately to meet current expenditures. It was further indicated that the balance of the 2.2 million dollars will be made available to the Logistics Office in the very near future. This represents the total amount required for operational supplies during the first quarter of FY-54.

b. Administrative Support Course - (continued item)

Materiel to be utilized in the presentation of the Logistics Office at the Administrative Support Course on 28 August 1953 is complete. It is anticipated that this presentation will be comprehensive and adequate.

c. Motor Vehicle Regulation - (continued item)

[]

d. Obligation and Expenditure of Funds in Overseas Areas - (new item)

This office has received a request from the Comptroller to evaluate a [] the obligation and expenditure of funds for services rendered and property acquired from the Armed Services in overseas areas. It appears that the contents of this instruction cannot be implemented at the present time due to the fact that facilities are not available in overseas areas. []

[] have not as yet been published. Further, this directive would create a duplication of reporting both from the viewpoint of property and cost.
